## **ELSPA R&D Tax Credits Workshop 18 March**

**Do you claim R&D tax credits, or do you think you could?**

**Do you find the process difficult and could you benefit from some advice?**

ELSPA together with HM Revenue and Customs (HMRC) is holding an R&D Tax Credit applications workshop on **18 March 2010 from 10:00 - 13:00**. We aim to make the tax credit application process easier to understand, and to encourage you to apply for tax credit for all your eligible projects.

We are providing an opportunity for you to talk to the people who assess the applications, for you to learn how to find your way through the process and make successful tax credit applications, and also for you to feed back to HMRC on how the application system could be improved to work better for you.

The session will begin at 10:00 with an introduction from HMRC. There will then be a walk-through of the applications process, followed by an opportunity for a one-on-one consultation with HMRC tax advisors.

**ELSPA members: FREE**

**Non-members: £50**

**Networking lunch included**

**The Wren Room, RIBA, 66 Portland Place, London W1B 1AD.**

**Who should attend?**

Finance officers and directors  
Development directors

Anybody wanting to find out more and meet HMRC's tax credit advisors

**For further details please contact Simon Sauntson at ELSPA (020 7534 0589)
